5 the City's system of accrual and use of compensatory time off (CTO) does not comport
6 with the requirements of Section 207(o) of the FLSA by: denying usage of CTO; forcing
7 usage of CTO; accruing CTO on a straight time basis; forfeiting CTO; accruing CTO
8 over the FLSA limits. The parties will work to resolve a means of litigating the CTO
9 claims, and if necessary, submit the dispute to the Court for resolution.

10 2. These Subgroups are conditionally certified to proceed on a collective
11 action basis, as specified herein. These Subgroups have been formed based on
12 plaintiffs' representations that the individuals within each Subgroup are similarly situated
13 with respect to the claims made. This agreement is without prejudice of either party to
14 move to decertify the subgroups based on further discovery.

15 **Additional Classwide Claims**

16 3. Each plaintiff in this action also makes the following claims that the City
17 has violated the FLSA:

18 a. Each plaintiff alleges that the City violates the FLSA requirements
19 by improperly calculating the regular rate of pay; and

20 b. Each plaintiff alleges that the City's payment of overtime is untimely
21 under the requirements of the FLSA.

22 **Limitation of Claims and Plaintiffs**

23 4. This stipulation contains a complete list of all Plaintiffs participating, and all
24 claims asserted, in this litigation. If plaintiffs identify additional persons who fall into any
25 of the aforementioned claims categories, plaintiffs shall identify such persons and their
26 claims, and the parties will thereafter attempt to resolve a method for litigating such
27 claims. Plaintiffs must identify such persons within three weeks after this stipulation is
28 signed by the Court.

Selection of Representative Plaintiffs

5. With respect to the following Claims Subgroups, the following procedure shall apply for selecting representative plaintiffs: CS-A; CS-B; CS-C; CS-D; CS-E1; CS-E2; CS-E3; CS-E4; CS-F; CS-G; CS-H; CS-I; CS-J; CS-K; CS-L; CS-M; CS-N; and CS-Q.

a. The representative plaintiffs from each of these Claims Subgroups will be selected randomly, in a method to be agreed upon by counsel;

b. The representative plaintiffs from each of these Claims Subgroups shall number up to three, or 5% of the total number in the Claims Subgroup, whichever is larger.

c. The representative plaintiffs shall be designated to represent each of these Claims Subgroups for purposes of liability and damages, as specified herein.

Discovery – Representative Plaintiffs

6. The City shall be entitled to propound all discovery mechanisms, including interrogatories, requests for admissions, requests for production, and to take depositions of, each representative plaintiff, subject to the limitations and requirements set out in the Federal and Local Rules of Civil Procedure. The discovery addressed to representative plaintiffs shall be confined to discovery reasonably calculated to lead to the discovery of admissible evidence related to the claim(s) for which the plaintiff is acting as a representative plaintiff. Further, with respect to supervisors, the City may question such supervisors regarding the City's policies and practices with respect to work hours and overtime. Nothing in this stipulation shall be construed to limit the City to the ten deposition limit in the Federal Rules.

7. Except as provided herein, the City shall not be entitled to take other discovery with respect to plaintiffs who are not designated representative plaintiffs.

8. If a representative plaintiff does not participate in discovery, the parties agree to submit to the judge the issue of what, if anything, should occur with respect to the replacement of that representative plaintiff and any other issues either the plaintiffs

1 or the City may wish to raise arising out of the representative plaintiff's refusal to
 2 participate in discovery. If a selected representative refuses to participate in discovery,
 3 the City will request dismissal of the subgroup claim, contempt sanctions to be imposed
 4 on the individual or other remedy. Plaintiffs will take the position that the remedy should
 5 be substitution of another plaintiff for the representative plaintiff who has not participated
 6 in discovery.

7 **Depositions by Plaintiffs**

8 9. Plaintiffs shall be permitted to take up to twenty depositions, in addition to
 9 the depositions of any experts designated by the City. Defendants shall be permitted to
 10 take the depositions of all experts designated by the plaintiffs, the depositions of Plaintiff
 11 Valladon and the other representatives and plaintiffs at the rank of Captain and above,
 12 as indicated herein (i.e., Subgroup CS-P). In addition, the City may take the deposition
 13 of the person(s) most knowledgeable regarding labor relations for the OPOA.

14 **Subgroup CS-O**

15 10. With respect to Claims Subgroup CS-O, the following procedure shall
 16 apply for selecting representative plaintiffs:

17 a. The representative plaintiffs will be selected randomly, in a method
 18 to be agreed upon by counsel;

19 b. The number of representative plaintiffs selected from this Subgroup
 20 shall be six;

21 c. The representative plaintiffs shall be designated to represent the
 22 Claims Subgroups for purposes of liability and damages, as specified herein.

23 **Subgroup CS-P**

24 11. Subgroup CS-P comprises officers at the ranks of Captain and above.
 25 With respect to plaintiffs in CS-P, the City may utilize all discovery mechanisms with
 26 respect to all individuals in this Subgroup, including interrogatories, requests for
 27 production, requests for admission, and depositions, subject to the limitations and
 28 requirements set out in the Federal and Local Rules of Civil Procedure.

Acting Supervisors

12. With respect to officers in "acting" assignments in Subgroups CS-N, CS-O, and CS-P, the parties will confer on an appropriate methodology to handle such claims. If the parties cannot reach an agreement, the matter will be submitted for resolution to the Court.

Classwide Claims

13. With respect to the classwide claims (*see supra* ¶ 3), plaintiffs contend that the claims will be proven entirely through the City's pay records. Plaintiffs do not anticipate that any discovery directed at individual Plaintiffs will be necessary for the classwide claims. The City reserves its rights regarding the necessity of discovery for these claims, and will seek leave of Court, if necessary, after plaintiffs fully articulate the bases for these claims.

Effect of Certification

14. The parties will be bound at trial for liability purposes by the testimony of the representative plaintiffs, and the testimony of the representative plaintiffs will apply to all members of the subgroups from which the representative plaintiffs have been selected. For damages purposes, the City and the plaintiffs will attempt to agree upon a method for dealing with damages calculations. Nothing in this stipulation shall be construed to preclude discovery on damages. Should the parties be unable to agree upon a method of discovery on damages, the matter will be submitted to the Court. The parties reserve their rights regarding whether the issue of damages shall be bifurcated for trial.

Miscellaneous

15. Nothing in this agreement is a waiver of the right held by the City to file a motion requesting that the Court decertify any Claims Subgroup if the City believes the plaintiffs in the Subgroup are not similarly situated for purposes of the FLSA or for other good cause. Nothing in this agreement is a waiver of the right of the plaintiffs to object

1 to any effort by the City to decertify the Claims Subgroups. All claims and defenses in
2 this action are expressly reserved.

3 16. The subgroups specified are premised on the assumption that each
4 plaintiff listed has filed a valid consent. The Subgroups are subject to amendment in the
5 event it is determined that there is not a valid consent on file. If the Subgroups
6 attachments are not included at the time of filing, the parties will file an amended
7 stipulation forthwith.

8 17. Any party may apply to the Court for an amendment to any provision
9 herein, based upon a showing of good cause.

10 18. The parties may meet and confer to reconstitute and/or refine the Claims
11 Subgroups after further discovery and/or the claims are further defined.

12 19. The phrase "Relevant Period" means the period three years prior to the
13 initial filing of the Complaint in this case. This does not constitute a waiver of the City's
14 contention that the statute of limitations should be for a maximum period of two years
15 prior to each consenter filing an election to join this action.
